Re: Improvements in the Pension Fund of Local No. One, I.A.T.S.E.

---

The Trustees are pleased to inform you that on November 28, 2017 they approved benefit improvements both for active participants and for retirees and their beneficiaries.

1. Active Participants

For Participants with a pension credit in 2017 or thereafter who retire on or after January 1, 2018, the monthly amount of the Normal Pension for each year of Service Credit prior to January 1, 1991 will be increased from \$75 to \$100.<sup>1</sup> The monthly amount for Service Credit earned on or after January 1, 1991 will continue to be \$100 per year.

2. Retirees and Their Beneficiaries

All retirees and their beneficiaries on the rolls as of December 1, 2017 will receive an extra one-time lump sum payment of \$2,000.<sup>2</sup> This special distribution is based on discrete special circumstances present in a particular plan year and there is no guarantee that such circumstances will exist next year or in any future year.

The Trustees of the Pension Fund are pleased and proud that our Pension Fund is healthy and able to provide you with these benefit improvements.

---

<sup>1</sup> Participants who have a break in service and then return to the Plan may be subject to the prior rules, as described in the Pension Fund's Summary Plan Description.

<sup>2</sup> If a pension is divided because of a Qualified Domestic Relations Order ("QDRO") or because of multiple beneficiaries, the lump sum amount will be allocated pro rata.
